GSA GEN. REG. NO. 27

UNITED STATES GOVERNMENT

Memorandum

TO : SAC (100-10461)

DATE: 6/30/64

FROM : ASAC KYLE G. CLARK

SUBJECT: LEE HARVEY OSWALD, aka
IS-R-CUBA

Telephonic inquiry was made of Section Chief BRANIGAN and Inspector STERLING B. DONAHOE concerning newspaper articles in "The Dallas Morning News" to the effect that the President's Commission, namely, J. LEE RANKIN, had requested the FBI to make inquiry as to how the Morning News came into possession of OSWALD's diary and other items published in the Saturday and Sunday editions.

Mr. DONAHOE advised that the Commission had been contacted concerning this request and, to date, no instructions had been received. He stated confidentially that it was recommended to the Commission that they call JACK KRUEGER and the publisher of "The Dallas Morning News" before the Commission, rather than the FBI making inquiry.

Any inquiry from the press should be answered, "No comment," and the fact that "we are conducting no inquiry at this time."
